METER TIMING

METERED SPACES BEGIN AT 8AM AND END AT 6PM, MONDAY THROUGH SATURDAY

THE 2021 STUDY FOUND THAT PARKING AVAILABILITY IS BEST BETWEEN 8AM AND 10AM, SO IT MAKES LESS SENSE TO CHARGE FOR PARKING DURING THESE HOURS

METERED TIME WILL SOON BE 10AM - 8PM, MONDAY THROUGH SATURDAY; TIME RESTRICTIONS STILL APPLY!

RESIDENTIAL PARKING

As we find ways to assist the businesses with finding adequate parking for their clients and staff, we also must consider how to accommodate residents of Downtown Ossining.

- Lot 5N: (1) tag spot (ADA)
- Lot 5S: (12) tag spots
- Lot 6: (6) tag spots

We are considering changing the designation of other Downtown lots to accommodate Municipal Parking Permits.
